WORK EXPERIENCE

CREATIVE DIRECTOR / FOUNDER

Crate- For Everything. / Jan 2019 – Present

Owns and manages DC’s only all Asian-run photo/art studio. Leads and grooms an elite team to represent my community and be trailblazers in DC’s booming creative field. Created a platform focused on representation and provide a thriving safe-space for reputable and new artists to collaborate and create. *Crate- for Everything.* hosts galleries in support of the city’s best artists and organizes targeted events to ensure full representation within minority communities. We provide photo and video services, and lead production on sets, such as YouTube live streams.

EDITOR / PRODUCER

USA Today / October 2020

Edited and produced USA Today’s flagship long form show, “States of America”, covering weekly election news and updates. Assisted in editing and producing a weekly explainer show, called “Just the FAQs”. Proficient in Adobe team projects, maximizing remote editing workflow.

NEWS PRODUCER / DIGITAL EDITOR

Defense and Aerospace Report / 2017 – 2019

Directed and produced interviews with defense decision makers, strategists, and Military and Industry leaders in the United States and abroad. Responsibilities included leading a live broadcast team to conduct remote interviews during breaking stories, coordinating and interacting with high-level defense executives, and producing broadcast segments for publication’s viewership. Built and deployed a weekly Defense and Aerospace Newsletter and managed the DefAeroReport.com website.
